

### **How to install the Zoner Photo Studio 17 PRO Giveaway:**

1. Download the installer file and run it.
2. If you don't have a Zoner Account, create one at <https://account.zoner.com/>
3. Run Zoner Photo Studio 17 and log in. Your PRO version is now active.

**Important: You do not need a license code (registration number, etc.), and you will not receive a license code. Your software will be activated immediately once you've created and logged in to your ZONER account.**
